**I wanted to pass this on to you. I received this from Terry Andrews with TCEQ. Apparently we are exempt fromt these certain fees. Additionally, I also believe that we are exempt from other federal, state, and local fees.**

**Leroy mentioned something about a city of Houston fee. I would like to see information on that fee since the waste is not being disposed in Houston. I am sure these fees are not applicable to the Federal Government. We need to discuss.**
